

The final delivery day for school meals will be on June 24, 2021. This will be the conclusion of the school year-based meal packs.

Meals will be made available onsite at summer programs for students attending. You can find more information about summer meal sites at the following link:

[C-PP Summer Meal Locations](#)

If you have any questions, please contact your school food service manager by using our “contact us” form on the food service website
